

LION PARKING

Erika Beasley, Carly Copley, Laura Lemoine, and Emily Price

WELCOME SCREEN

The first screen that users are met with when opening the "Lion Parking" app is the welcome screen. After tapping "GET STARTED", users are taken to the login screen.

Welcome!

LION PARKING

GET STARTED

LOGIN SCREEN

The login screen is where users can input their credentials provided by the University of North Alabama and login to the app.

LION PARKING

PARKING TAB

The parking tab displays the University's parking lots and their respective availability. From here, users can choose the lot of their preference and select "NAVIGATE".

MAP TAB

The map tab allows users to view and navigate to the lot of their choosing via GPS.

PERMIT TAB

The permit tab is where users can view, edit, and renew parking permits and vehicle information.

PERMIT RENEWAL

By tapping the "RENEW" button, users can automatically renew their parking permit. The screen will then provide feedback, confirming said renewal.

PERMIT EDITING

After a permit has been renewed, the "EDIT" option will remain. When selected, the editing screen will appear. This screen is where the user can change and update any vehicle information as needed.

The diagram illustrates the process of editing a permit. It shows two mobile app screens side-by-side, connected by a large white arrow pointing from left to right. Both screens have a purple header with 'LION PARKING' and a bell icon. The left screen displays the 'Permit Info' section with vehicle details: Tag (1234ABC, Alabama), Make & Model (Honda Accord), Year (2017), Color (Grey), and Expiration (Aug 2026). A yellow 'EDIT' button is at the bottom. The right screen shows the same information, but the input fields are now active text boxes. The 'Expiration' field has been changed to 'Aug 2025'. A keyboard is visible at the bottom of the right screen, indicating that the user is editing the text.

PARKING MAP PERMIT PAYMENTS

In this example, the user changes the color of the car from "Grey" to "Black". After they have finished making their changes, the user can tap "DONE", which takes them back to the original permit tab screen, where they can still go back to edit the information as needed

TICKET TAB

The ticket tab is where students can view and pay parking citations, as well as make appeals.

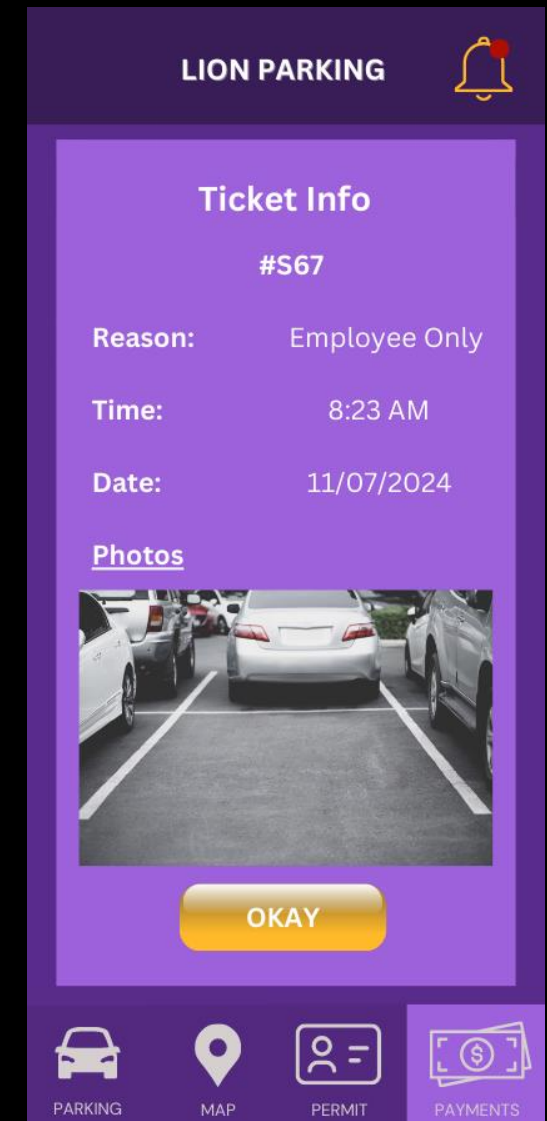

The "PAY" button takes users to a payment screen in which they can enter their payment information and pay citation fees.

The "APPEAL" button will take users to a screen where they can make an appeal regarding their citation.

TICKET TAB

By tapping "more info", users can view the full information and details regarding their citation. After viewing, the user can tap "OKAY" to return back to the original ticket screen.

TICKET APPEALS

By tapping the text box that says, "Type appeal reasoning here", users are able to appeal a ticket with the reasoning he/she finds fit.

LION PARKING

Appeal

If you feel you were issued a parking ticket in error or that extenuating circumstances existed, you may file an appeal with the Parking & Traffic Committee.

Type appeal reasoning here.

TICKET PAYMENT

Whether or not a user has decided to appeal a ticket, the user can pay for a ticket that has been received due to a parking violation.

In this example, once the user taps the "PAY" button, he/she can select which ticket (if there are more than one) to pay by tapping a radio button. Then, the user can tap "CHECKOUT", validate his/her payment, and hit "PAY NOW".

PAYMENT COMPLETION

Once a user has completed a successful payment, the ticket tab will alert the user that there are no tickets available at the moment.

NOTIFICATIONS

At any point, the user can tap the bell icon to see pending notifications. If a user has not read the latest notifications, a red dot will appear on the bell drawing the user's attention to it. Once notifications have been read, the red dot will disappear. After reading the notifications, the user can tap "OKAY" to return the screen he/she was on previously.
